**Payroll,
Tax Compliance
and HR Resources
for Small Businesses**

**What Could Your
Business Achieve?**

Most small businesses spend between 25% & 50% of their time on administrative tasks*

If you're like most growing businesses, keeping up-to-date with increasing payroll and tax regulations is becoming increasingly difficult and time consuming.

Without a proactive plan to manage your back-office burden, achieving your business goals could get sidelined.

Our firm can provide you with a high-quality payroll service to help with payroll, tax compliance and HR resources to help you:

- Increase productivity
- Improve regulatory compliance
- Attract and retain valued employees

With greater control over your time and resources...

What could your business achieve?

Simplify your payroll process

- Be confident of your payroll accuracy
- Provide employees flexible payment options like direct deposit, debit cards, or paper checks.
- Confirm your payroll liability and cash required before payroll is finalized with instant payroll previews
- Track 401(k) and SIMPLE IRA Plan deductions on every payroll
- Cost effective and comprehensive options - payroll only or payroll with HR resources
- Protect your payroll database from unauthorized access with secure offsite hosting

Get help with payroll and tax compliance challenges

- Get automated federal, state and local payroll tax management
- Have your State Unemployment Insurance (SUI) automatically deposited and filed on your behalf
- Get new hire reporting to help you stay compliant with state regulations and help avoid penalties

Access payroll and company reports anytime, anywhere

Convenient, online access allows you to manage your costs and get quick answers to employee questions no matter where your business takes you.

Join our team today and get more hours out of your day to grow your business
